# SDS PLUS DRILL BITS

## 100% solid tungsten 4 cutter hammer drill bits

- Pyramid shaped centering tip
- 4 cutter 100% solid tungsten carbide tips
- Unique high temperature welding
- 4 fluted spiral geometry

### PATENTED HIGH TEMPERATURE FUSION TECHNOLOGY

Extremely hard wearing for  
extended life

- Better rebar cutting
- Longer bit life
- Fast & precise drilling
- Best in concrete brick, block & stone

### OPTIMISED 4 CUTTER GEOMETRY FOR THE PERFECT SYMMETRIC HOLE

Provides impact resistance for high  
speed drilling

- Solid carbide SDS drill bits feature a centering tip for exact drilling
- PGM Certification means you can trust the quality

### LOW VIBRATION QUAD DESIGNED FLUTE FOR OPTIMAL DUST REMOVAL

Ensures rapid dust removal, low vibration  
& durability

- Drill bits from 10mm up, are equipped with wear mark indicators that inform the operator when to replace the bit
